The Versatile Philis.

The Versatile Philis.

The Phillies have pretty well proved themselves to be the strongest club in the National league. They proved this by the summary punishment they inflicted at the edge of the stretch upon three first division clubs. Broooklyn, Boston and New York, List year they won by getting out in front and staying there. To know that variety which is often called the spice of life, they are about to switch tactics this year by winning after a rather rickety start. They were not given a change to win through the middle of August It was either Brook. not given a chance to win through the middle of August it was either Brook-yn or Boston. But by the time their main batteries had been trained upon the two leaders there was very little but debris left. If the Phillies are beat en out, the done referred to above will be worth about 10 cents a hogshead

### Produce---Provisions BUYING WAVE IN COTTON ADVANCES QUOTATIONS

Demands Encouraged by Storm Warn-

ing and Prediction of Rains. NEW ORLEANS COTTON FUTURES.

NEW OBLEANS, Sept. 12. On a con-lingation of a buying wave which started late in the session Monday the cotton market was advanced 25u 22 points in the

market was advanced 20 of 22 points in the first hour of business today. The storm warning for the South Atlantic states, the prediction of rains for the eastern belt generally and reports of smaller offerings of spots from the interior encouraged the demand. Realizing of profits on the part of recent buyers set in at the advance and increased during the morning Gradually the gain was lost and at noon the trading months were unchanged to five points up compared with vesterday's close.

The rise of six points in spots was a steadying influence, although the market did not show any great buying power in the afternoon. At 1.30 prices were 5 to 2 points above the last quotations of yealerday.

2 points above the last quotation yesterday.

Spot cotton steady; 6 points up. Sales on the spot \$15 bales; to arrive 2,050, cood ordinary 12,25c; strict good ordinary 13,75c; low middling 14,25c; strict low middling 14,36c; middling 14,75c; strict middling 14,94c; good middling 15,12c; strict good middling 15,12c; strict good middling 15,12c; strict good middling 15,27c.

Class

NEW YORK, Sept. 12.—The firmer tone which developed in the cotton market Monday was in evidence early today. Liverpool was better than due with private cables attributing the firmness to smaller efferings from the south and the state cables attributing the firmness to smaller efferings from the south and the opening here was steady at an advance of 9 to 11 points on covering by commission houses and a renewal of demand fro mitside sources. Active deliveress will also the south and the combet and 15.5% for January, a rally of some 44 to 47 points from the lowest levels of Monday. Realizing checked the 23.6% advance at this stage and there were slight reactions before the end of the first hour.

14 10 The early reaction carried prices back some 3 or 2 points but rallies followed

some S or 9 points but railies followed the forecast for frost in northwest sections of Texas and Oklahoma with active months selling up to about the best point of the morning.

Apprehensions as in the course of the course

south Atlantic atom promoted this advance but increased southern and local selling was obsoundered around 15 pc for January and later fluctuations were in-

regular.

Prices worked off to a net loss of about 5 to 7 points during the early afternoon with December selling down to 15 22c and January to 15 31c but met renewed boying at this level and rallied 10 to 12 points before 2 a clock with January selling up to 15 for 7 points net higher.

Spot cetters (wile) Middless points

packers insisting on a 58 for reduction will sales in serious at 15.5 and 3.5 and 3.5
